Explanatory Notes:

Appointment of proxies

2. Any shareholder is entitled to appoint a proxy to exercise all or any of his/her rights to attend, speak and vote at the Meeting and you should have received a form of proxy with this Notice. You can only appoint a proxy using the procedures set out in these notes and the notes to the form of proxy (the procedures are also described in the Circular).
3. Under the Company's Constitution, a shareholder may appoint not more than two proxies to attend and vote at the same general and special meeting. Where such member appoints two proxies, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy. A proxy need not be a shareholder of the Company. If you appoint a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.
4. If you wish to appoint a person or company other than the Chairman of the Meeting, please insert the name of your chosen proxy in the space provided on the form of proxy, however in the special circumstances applicable to this meeting it is strongly recommended to appoint the Chairman of the Meeting as your proxy. Any alterations to this form must be initialed.
5. The securities represented by the form of proxy will be voted or withheld from voting as directed by the shareholder, however, if such direction is not made in respect of any matter, the proxy will be voted in favour of the passing of the matters set forth in the Notice (and if any other matters come before the Meeting the proxy will be voted on such matters in accordance with the best judgement of the appointed proxy).

Appointment of proxy using the form of proxy

6. The notes to the form of proxy explain how to direct your proxy to vote on each resolution or withhold your vote.
7. Completion and return of a form of proxy will not preclude a shareholder from attending and voting in person at the Meeting should he or she so decide.
8. To appoint a proxy using the form of proxy, the form must be:
 - completed and signed;
 - sent or delivered to the Company's registrar and transfer agent, TSX Trust Company at 301 - 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Canada or faxed to (416)-595-9593; and
 - received no later than 48 hours (excluding weekends and holidays) prior to the Meeting, being at 6 p.m. (SGT), on June 20, 2023.
9. Any power of attorney or other authority (if any) under which it is signed (or a notarized certified copy of such power of authority) must be included with the form of proxy.

Appointment of proxy by joint shareholders

10. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of shareholders in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

11. To change your proxy instructions, simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.
12. Where you have appointed a proxy using the hard-copy form of proxy and would like to change the instructions using another hard-copy form of proxy, please contact TSX Trust Company at 301 - 100 Adelaide Street West, Toronto, Ontario, M5H 4H1, Canada.
13. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

14. In order to revoke a proxy instruction, you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to TSX Trust Company at 301 - 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Canada.
15. In the case of a shareholder that is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.
16. The revocation notice must be received by the Company no later than 48h hours (excluding weekends and holidays) prior to the Meeting, at 6 p.m. (SGT) on June 20, 2023.
17. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.
18. Appointment of a proxy does not preclude you from attending the Meeting and voting in person, however the particular rules applying to this year's Annual General and Special Meeting may prevent any such attendance in person. If you have appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

Notice and Access

19. In November 2012, the Canadian Securities Administrators announced the adoption of regulatory amendments to securities laws governing the delivery of proxy-related materials by public companies. As a result, public companies are now permitted to advise their shareholders of the availability of all proxy-related materials on an easily accessible website, rather than mailing physical copies of the materials. The Company has decided to deliver the materials for the Meeting (the "**Meeting Materials**") to shareholders by posting the Meeting Materials on TSX Trust Company's website at <https://docs.tsxtrust.com/2033>. This is also in compliance with the Company's Constitution which permit electronic notices to be served by making them available on a website.
20. The Meeting Materials will also be available on the Company's website (www.investor.verde.ag) as of May 22, 2023, and will remain on the website for one full year thereafter. The Meeting Materials will also be available on SEDAR at www.sedar.com as of May 22, 2023. Any registered or non-registered shareholder of the Company wishing to receive a paper copy of the Circular may do so by calling the toll-free number at 1-866-600-5869. In order to receive a paper copy in time to vote before the Meeting, your request should be received by June 13, 2023.

Corporate representatives

21. In order to facilitate voting by corporate representatives at the Meeting, arrangements will be put in place at the Meeting so that:

- (i) if a corporate shareholder has appointed the Chairman of the Meeting as its corporate representative to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the Meeting, then on a poll those corporate representatives will give voting directions to the Chairman of the Meeting and the Chairman will vote (or withhold a vote) as a corporate representative in accordance with those directions; and
- (ii) Corporate shareholders are encouraged to appoint the Chairman of the Meeting as a proxy for the reasons noted above, however if more than one corporate representative for the same corporate shareholder attends the Meeting but the corporate shareholder has not appointed the Chairman of the Meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative.

To the holders of ordinary shares

Notice of 2023 Annual General and Special Meeting

Dear Shareholders,

The 2023 Annual General and Special Meeting (the “**Meeting**”) of Verde AgriTech Ltd. (the “**Company**” or “**Verde AgriTech**”) is due to take place on Thursday, June 22, 2023 at 6 p.m. (SGT), at 16 Collyer Quay, #17-00, Singapore 049318. Shareholders will also be able to observe the Meeting virtually via Zoom: https://bit.ly/AnnualMeetingOfShareholders_2023 and are encouraged to vote and submit their questions in advance of the Meeting through the following link: https://bit.ly/SubmitQuestions_AGM2023.

Accompanying this letter you will find the Directors’ Report, the Audited Statement of Accounts and Auditors’ Report of the Company for the financial period ended December 31, 2022 together with the Notice of 2023 Annual Meeting of Shareholders (the “**Notice**”). In addition, you will find the Management Information Circular (the “**Circular**”) that is required under applicable Canadian securities laws.

Verde AgriTech is a public limited liability company incorporated in Singapore (company number 202222202R) and listed on the Toronto Stock Exchange (“**TSX**”) in Canada under the symbol “**NPK**”. For this reason, I would like to explain the background to certain of the resolutions to be put to shareholders at the Meeting. You will be given the opportunity to raise any questions in relation to any of the resolutions in advance of the Meeting.

Election of Directors (Resolution 2 to Resolution 7)

Under Regulation 71 of the Constitution of the Company (the “**Constitution**”), all of the directors of the Company (the “**Directors**”) shall retire from office.

Moreover, issuers listed on the TSX are required to elect all Directors annually. As a result, election for each Director is required to be held at the Meeting.

The Board of Directors (the “**Board**”) believes that each of the current Directors continues to bring extensive relevant experience to the Board and, as a result, the Board recommends that five of the current Directors be re-elected.

At 86 years old, Mr Alysson Paolinelli, who served on the Board of Verde for over almost 10 years, is retiring pursuant to the Company’s Constitution.

Recommendation

The Directors consider that all the proposals to be considered at the Meeting are in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company. The Directors unanimously recommend that you vote in favour of all the proposed resolutions, as they propose to do in respect of their own holdings in the ordinary share capital of the Company.

You are requested to complete the reply-paid form of proxy in accordance with its instructions and return it to TSX Trust Company at 301 - 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Canada as soon as possible, but in any event no later than 48 hours (excluding weekends and holidays) prior to the meeting, at 6 p.m. (SGT) on June 20, 2023. As it is unlikely that any other proxy will be able to attend and vote on your behalf you are strongly encouraged to appoint the Chairman of the meeting as your proxy. The return of a form of proxy will not preclude a shareholder from attending and voting at the Meeting if he/she so wishes. Full details are given on the form of proxy.

It is the intention of management to give a presentation to shareholders at the Meeting to update them on operational progress and we look forward to as many as possible observing the Meeting and to receiving your questions in advance to enable an open dialogue and the maximum shareholder engagement possible in the current circumstances.

Yours faithfully,

"Cristiano Veloso"

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Verde AgriTech Ltd. (the “**Company**”) for use at the Annual General and Special Meeting (the “**Meeting**”) of holders (“**Shareholders**”) of ordinary shares (“**Ordinary Shares**”) of the Company, and any adjournment(s) or postponement(s) thereof, to be held at the time and place and for the purposes set forth in the attached Notice of 2023 Annual General and Special Meeting (the “**Notice**”).

It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally by regular employees of the Company at a nominal cost. The costs of solicitation will be borne by the Company.

The information contained in this Circular is given as of May 12, 2023, unless otherwise indicated. All dollar amounts in this Circular are expressed in Canadian dollars unless otherwise indicated.

NOTICE AND ACCESS

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access Provisions**”) for the Meeting pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) with respect to the mailing of Meeting materials to both registered Shareholders and beneficial Shareholders (“**Non-Registered Shareholders**”).

The Notice-and-Access Provisions are a new set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Company to post the Circular and any additional materials on a non-SEDAR website rather than delivering such materials by mail. Reporting issuers may still choose to continue to deliver such materials by mail, and Shareholders will be entitled to request delivery of a paper copy of this Circular at the Company’s expense.

In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting this Circular (and if applicable, other materials) electronically on a website that is not SEDAR, the Company must send a notice to Shareholders, indicating that the proxy-related materials have been posted and explaining how a Shareholder can access them or obtain a paper copy of those materials from the Company.

Basic information about the Meeting and the matters to be voted on, an explanation of how a Shareholder can obtain a paper copy of this Circular and any related financial statements and MD&A, and an explanation of the Notice-and-Access Provisions process, have been built into the Notice. The Notice has been delivered to Shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of Non-Registered Shareholders) and the notice described in the preceding paragraph (together, the “**Notice Package**”).

The Company will not rely upon the use of “stratification”. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Circular with the Notice Package. In relation to the Meeting, all Shareholders will have received the required documentation under the Notice-and-Access Provisions and all documents required to vote in respect of all matters to be voted on at the Meeting.

Please review this Circular carefully and in full prior to voting in relation to the matters to be conducted at the Meeting. This Circular is available on SEDAR at www.sedar.com and at www.investor.verde.ag

Any registered Shareholder and any Non-Registered Shareholder wishing to receive a paper copy of this Circular may do so by calling the toll-free number: 1-866-600-5869.

In order to allow for reasonable time to be allotted for a Shareholder to receive and review a paper copy of this Circular prior to the Proxy Deadline (as defined below), any Shareholder wishing to request a paper copy of the Circular as described above, should ensure such request is received by 6 p.m. (SGT) on June 13, 2023. Following the Meeting, Shareholders who still wish to receive a paper copy of the Circular should contact the Company's registrar, TSX Trust Company, toll free, at 1-866-600-5869.

APPOINTMENT AND DEPOSIT OF PROXIES

The enclosed form of proxy provides for the appointment of the Chairman of the Meeting as proxy.

A Shareholder has the right to appoint any other person (who need not be a Shareholder) to attend, speak and vote on his/her behalf at the Meeting or any adjournment or postponement thereof. Such right may be exercised by striking out "the Chairman of the Meeting" on the form of proxy and by inserting in the blank space provided for that purpose the name of the desired person. To be effective, proxies must be deposited with the Company, c/o the Company's registrar, TSX Trust Company at 301 - 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Canada not later than 48 hours before the time appointed for the Meeting or any adjournment(s) or postponement(s) thereof (the "Proxy Deadline"), together with any power of attorney or other authority (or a notarized certified copy thereof) under which it is signed.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Ordinary Shares represented by the proxy submitted by a Shareholder appointing the Chairman of the Meeting will be voted in accordance with the directions, if any, given in the proxy. Where the Shareholder has not specified in the proxy the manner in which the Ordinary Shares represented by the proxy are to be voted, such Ordinary Shares will be voted in favour of the passing of the matters set forth in the Notice.

REVOCATION OF PROXIES

A Shareholder who has given a proxy may revoke the proxy by an instrument in writing, including another proxy, duly executed by the Shareholder or by his or her attorney authorised in writing, deposited with the Company as provided above. A Shareholder may also revoke a proxy in any other manner permitted by law, but such revocation must be prior to the exercise of such proxy in respect of the particular matter.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

If a Shareholder appoints the Chairman of the Meeting as his or her proxy, the Chairman of the Meeting will vote the Ordinary Shares in respect of which he is appointed in accordance with the direction of the Shareholder appointing him. **In the absence of such direction, such Ordinary Shares will be voted in favour of the passing of each of the resolutions described below.**

The enclosed form of proxy confers discretionary authority upon the person named therein with respect to amendments or variations to matters identified in the notice of the Meeting and with respect to other matters which may properly come before the Meeting or any adjournment or postponement thereof. At the time of the printing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting, other than the matters referred to in the notice of the Meeting. However, if any other matters should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgement of the appointed proxy.

VOTING BY BENEFICIAL SHAREHOLDERS

The information in this section is of significant importance to Shareholders who do not hold their Ordinary Shares in their own name. Most Shareholders are "non-registered" shareholders because the Ordinary Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") should note that only registered Shareholders or their duly appointed proxy holders are entitled to vote at the Meeting. If Ordinary Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Ordinary Shares will not be registered in such Shareholder's name on the records of the Company. Such Ordinary Shares will more likely be registered under

the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depositary Services Inc., which company acts as nominee for many Canadian brokerage firms). Ordinary Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the General and Special Meeting.**

Existing regulatory policy in Canada requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Ordinary Shares are voted at the Meeting. Often the form supplied to a Beneficial Shareholder by its broker is almost identical to the form of proxy provided by the Company to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Ordinary Shares to be represented at the General and Special Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Ordinary Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Ordinary Shares must be communicated to Broadridge well in advance of the General and Special Meeting) in order to have the Ordinary Shares voted.**

This Circular and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("**Objecting Beneficial Owners**", or "**OBO's**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**", or "**NOBO's**"). Subject to the provision of the Canadian Securities Administrators' National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* ("**NI 54-101**"), issuers may request and obtain a list of their NOBO's from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Ordinary Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Ordinary Shares on your behalf.

The Company's OBO's can expect to be contacted by Broadridge or their broker or their broker's agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Ordinary Shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxy holder for the registered Shareholder and vote the Ordinary Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Ordinary Shares as proxy holder for the registered Shareholder should enter their own names in the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

On May 05, 2023, the record date for the Meeting (the "**Record Date**"), 52,630,223 Ordinary Shares were issued and outstanding. Each Ordinary Share entitles a Shareholder to vote on all matters to be acted upon at a meeting of Shareholders. All Shareholders of record as at the Record Date will be entitled to attend and vote at the Meeting.

To the knowledge of the directors or executive officers of the Company, there are no persons who beneficially own, or control or direct, directly or indirectly, voting securities of the Company carrying 10% or more of the voting rights attached to the voting securities of the Company, other than as set out in the following table:

Name of Shareholder	Number of Common Shares⁽¹⁾⁽²⁾	Percentage of Common Shares⁽¹⁾⁽²⁾
Cristiano Veloso	9,889,134	18.79%

- (1) The information as to Ordinary Shares beneficially owned, controlled or directed, not being within the knowledge of the Corporation, has been obtained by the Corporation from publicly disclosed information and/or furnished by the relevant shareholder.
- (2) On a non-diluted basis.

PARTICULARS OF MATTERS TO BE ACTED UPON

Receipt of Financial Statements

The audited financial statements of the Company for the financial year ended December 31, 2022 will be presented at the Meeting and the Shareholders will be requested to adopt the audited financial statements together with the director's report and the auditor's report.

In order to be effective, the resolution approving the receipt and adoption of the financial statements must be approved by a majority of the votes cast in relation to the resolution (ignoring for this purpose any votes which are cast as neither for nor against).

In the absence of a contrary instruction (assuming that one of the directors or a senior executive of the Company attending the Meeting in person acts as Chairman of the Meeting), the Chairman of the Meeting intends to vote FOR the receipt and adoption of the financial statements.

Appointment of Auditor

At the Meeting, Shareholders will be requested to appoint Ernst & Young LLP as auditor of the Company to hold office until the next annual meeting or until a successor is appointed, and to authorise the board of directors ("**Board**" or "**Board of Directors**") to fix the auditors' remuneration.

In order to be effective, the resolution approving the appointment of the auditor must be approved by a majority of the votes cast in relation to the resolution (ignoring for this purpose any votes which are cast as neither for nor against).

In the absence of a contrary instruction (assuming that one of the directors or a senior executive of the Company attending the Meeting in person acts as Chairman of the Meeting), the Chairman of the Meeting intends to vote FOR the appointment of Ernst & Young LLP as auditors of the Company to hold office until the next annual meeting, or until a successor is appointed, and to authorise the Board of Directors to fix the remuneration of the auditors.

Election of Directors

The Board is currently comprised of six Directors. With respect to the election of directors of the Company (the "**Directors**"), Regulation 71 of the Company's constitution (the "**Constitution**") provides that at every annual meeting all of the directors must retire from office.

Moreover, issuers listed on the Toronto Stock Exchange (the "**TSX**") are required to elect all Directors annually. As a result, election for each Director is required to be held at the Meeting.

In order to be effective, the resolutions relating to the election of Directors must each be approved by a majority of the votes cast in relation to the resolution (ignoring for this purpose any votes which are cast as neither for nor against). While the Company has not adopted a policy requiring that Directors be approved by the majority of the votes cast at the Meeting, the Company is subject to majority voting requirements as a result of its governing corporate laws (the Companies Act 1967 of Singapore).

In the absence of a contrary instruction (assuming that one of the Directors or a senior executive of the Company attending the Meeting in person acts as Chairman of the Meeting), the Chairman of the Meeting intends to vote FOR the election as a Director of each of the proposed Directors, each of whose names is set forth below, and who has been a Director since the date indicated below opposite his name.

Compensation Discussion and Analysis

Objectives of the Compensation Program

The Company's executive compensation program is based on the objectives of (i) recruiting and retaining the executives critical to the success of the Company, (ii) providing fair and competitive compensation, (iii) aligning the interests of executives and Shareholders, and (iv) rewarding performance, both individual and corporate.

The objective of providing fair and competitive compensation is accomplished by providing base salaries that are comparative to companies of similar size and scope of operations as the Company, companies that are within a reasonable size range in total assets and market capitalization, and companies with whom the Company would compete for talent.

The objectives of recruiting and retaining executives and rewarding performance are accomplished by using annual performance-based cash incentives, milestone incentives and granting stock options.

The objective of aligning interests of executives and Shareholders of the Company is accomplished by granting stock options.

Overview of the Compensation Philosophy

The following principles guide the Company's overall compensation philosophy:

- (a) compensation is determined on an individual basis by the need to attract and retain talented, high-achievers;
- (b) total compensation is set with reference to the market for similar jobs in similar locations;
- (c) a large portion of total compensation is variable and linked to performance, thus rewarding executives when they successfully achieve individual and corporate performance objectives; and
- (d) internal equity is maintained such that individuals in similar jobs and locations are treated fairly.

Role of the Compensation Committee

The Company has a Compensation Committee to assist the Board in fulfilling its responsibilities relating to executive compensation. Members of the Compensation Committee are appointed by the Board. The Compensation Committee ensures that the Company has an executive compensation plan that is both motivational and competitive so that it will attract, hold and inspire performance of executive officers of a quality and nature that will enhance the growth of the Company.

Verde's mission requires it to challenge the status quo in plant nutrition through the development and dissemination of innovative products focused on the highly competitive Brazilian agricultural market. To achieve its goals, Verde has designed and implemented a compensation philosophy to attract, retain and incentivize talented, qualified and committed professionals who share the Company's philosophy and are driven toward overcoming the sectorial challenges to achieve these goals.

As of the date of this report, the Compensation Committee is composed of Luciana De Oliveira Cezar Coelho (Chair), Renato Gomes and Fernando Joao Prezzotto, each of whom is an independent director within the meaning of National Instrument 52-110 - *Audit Committees* (“**NI 52-110**”) and is responsible for, among other things, reviewing executive compensation matters and making recommendations to the Board for its approval. The three Compensation Committee members are executives with significant experience in hiring, managing, and setting compensation policies in other companies operating in Brazil.

The Compensation Committee’s mandate includes developing appropriate compensation policies for the senior management and Directors of the Company, including the Company’s stock option plan, and evaluating senior management. These responsibilities include reporting and making recommendations to the Board for its consideration and approval. The Committee meets, via telephone conference, on an as needed basis but no less than once a year. The Compensation Committee has the authority to engage the services of outside consultants to assist in making decisions regarding the establishment of the Company’s compensation amount, programs and philosophy. As part of the Company’s compensation review process, the Compensation Committee retained an independent compensation consultant, The Bedford Group Inc. (“**Bedford**”), to provide the Compensation Committee and Board with the following;

An updated compensation peer group;

A comprehensive compensation benchmarking, including both the executive management teams and directors, of the approved peer group;

Suggestions for developing a scorecard for the purpose of assessing performance for incentive awards.

The peer group recommended by Bedford and approved by the Compensation Committee and Board. Companies were selected based on the complexity of their operations: producing in multiple jurisdictions, high growth, and/or operating in a challenging geopolitical environment. Bedford also considered market capitalization and chose companies ranging from 1x to 3x that of Verde. The approved peer group included American Vanguard, Argonaut Gold, Aura Minerals, Dundee Precious Metals, Ero Copper, Fortuna Silver, GoGold Resources, Itafos, Karora Resources, New Gold, Silvercorp Metals, Taseko Mines, Torex Gold and Victoria Gold.

The Compensation Committee reviewed the compensation data for the peer group to provide comparative information in determining the appropriate level for base salaries, milestone incentives, annual incentives and mid- and long-term incentives. The Compensation Committee used this data as part of its overall assessment. The Compensation Committee also considered the overall functions performed by certain executives, in terms of scope and financial gains. The Company does not employ a Country Manager, Vice President Sales, Vice President Marketing, Chief Operating Officer, or other positions common in mining companies that are in production and rapidly gaining market share through increased production and sales. The Compensation Committee considered objectives within a long-term strategy, breaking large, long-term goals into manageable shorter-term objectives to keep the team focused on accomplishing the most important tasks, in the right sequence and in the timeframes required, to make the Company’s long-term vision and objectives a reality.

The Compensation Committee and Board also reviewed the peer group compensation data for comparative information related to director fees and the compensation and structure of director pay, as further detailed in the section on “*Director Compensation*”.

The table below outlines the fees paid to Bedford:

Year	Executive Compensation-Related Fees	All other fees
2022	\$18,000	NIL

Elements of Compensation

For the financial year ended December 31, 2022, the Company's executive compensation program for NEOs included the following elements: base salary, annual performance-based cash incentives and stock options, as elaborated below.

Base Salary - Salaries form an essential element of the Company's compensation mix as they are the first base measure to compare and remain competitive relative to peer groups. Base salaries are fixed and therefore not subject to uncertainty and are used as the basis to determine other elements of compensation and benefits. The Compensation Committee and the Board review executive salaries on an annual basis and make adjustments as needed. In determining the base salary to be paid to a particular executive officer, the Board also considers the responsibilities related to the position, the experience level of the executive officer, his or her past performance at the Company, the financial condition of the Company, the advisory opinion of any acting consultants and competitive market practices. The assessment of base salary is discretionary.

Annual Performance-Based Cash Incentives - Any bonus paid to an executive officer is within the discretion of the Board following recommendations by the Compensation Committee. In making bonus determinations, the Board reviews corporate and individual performance. Annual performance-based cash bonuses are a variable component of compensation designed to reward executive officers for meeting annual performance goals and objectives and to retain and motivate executive officers critical to the success of the Company's growth. Bonus criteria assessed for 2022 included company growth and sales targets.

Stock Options - The granting of stock options is a variable component of compensation intended to reward executive officers for their efforts in the continued success and growth of the Company and to encourage equity participation. Stock options are the primary vehicle for offering long-term incentives because they align the compensation to long-term performance and create an ownership culture. In addition, the vesting features of Verde's stock option awards contribute to executive retention because these features provide an incentive to our named executive officers to remain in our employ during the scheduled vesting periods or until the achievement of the applicable performance milestones, which are expected to be achieved over the medium- to long-term. To determine the granting of stock options to its NEOs, the Compensation Committee considers (i) stock options granted to executives in similar roles in comparative companies; (ii) the number of stock options previously granted to the individual; (iii) the executive's current and future expected contribution to the advancement of corporate objectives; and (iv) the number of options available under the Plan. The Compensation Committee then makes a recommendation to the Board.

Milestone Incentives - Certain milestone cash incentives or special awards may be paid to executive officers in the future if predetermined milestone targets are met that relate to the development of the Company's mining operations.

Performance Graph

The following graph compares the percentage change in the cumulative total shareholder return on the Ordinary Shares with the cumulative total return of the S&P/TSX Composite Index and the S&P/TSX Global Mining Index of the TSX during the period from December 31, 2013 to December 31, 2022, assuming \$100 was invested on December 31, 2013 and assuming reinvestment of all dividends where applicable.

The Company started trading on the TSX in April 2012. Prior to April 2012, the Company was trading on the TSXV. Whilst the Company's share price has been on an increasing trend, the compensation paid to NEOs, in the form of salaries, has remained unchanged throughout all such period with the exception of an interlude when no cash compensation was paid, replaced with share grants at the then prevailing market price.

There is no direct correlation between the performance of the Ordinary Shares and executive compensation. The Ordinary Share price may be affected by a number of factors beyond the control of the Company, including general and industry-specific economic and market conditions. The Compensation Committee evaluates performance by reference to the overall direction and success of the Company rather than by any short-term fluctuations in the trading price of the Ordinary Shares.

2022 Named Executive Officer Compensation

Chief Executive Officer

Cristiano Veloso is the Founder, CEO and Chairman of the Company. The Board, based on a recommendation from the Compensation Committee, must approve Mr. Veloso's compensation. Historically, in developing compensation recommendations for Mr. Veloso, the Compensation Committee has sought both to appropriately reward the Chief Executive Officer's previous and current contributions and to create incentives for him to continue to contribute significantly to successful results in the future.

The Compensation Committee retained Bedford to complete an independent analysis of the Company's compensation program in 2022 and made adjustments based on the recommendations provided in their report, as described below:

Cristiano Veloso received a base salary of £249,000 per annum in accordance with his service agreement up until 30 June 2022. A new service agreement, dated 17 February 2023, was signed with an approved new base salary of £411,130 per annum (backdated to 1 July 2022).

As of December 31, 2022, remuneration of £20,267 remained outstanding for Mr. Veloso. A bonus of £546,582 was accrued and unpaid at the year end. This was awarded after the successful attainment of a Company growth and sales target for 2022.

In addition to serving as Chief Executive Officer since 2007, Mr. Veloso has contributed significantly and actively to Verde by recruiting executives and engineers, contributing to product development, sales and marketing, raising capital for the Company, and raising public awareness of Verde's mission. Over the last three years, in particular, the Company has cut costs by significantly expanding the responsibility of the CEO. Mr. Veloso has also assumed other responsibilities which are usually the purview of specialized professionals. For example, contrary to most foreign companies operating in Brazil, the Company does not have a Country Manager, a Vice President of Sales or a Chief Operating Officer; all roles are effectively exercised by Mr. Veloso.

Mr. Veloso purchased 1,092,177 shares from the exercise of share options and disposed of 680,100 shares during the year.

No stock options were awarded to him in 2022. As of December 31, 2022, Mr. Veloso held a total of 9,889,134 shares and 874,621 stock options.

Chief Financial Officer

Felipe Paolucci received a base salary of R\$58,787 per month. An annual performance-based cash incentive of R\$1,134,030 was accrued and unpaid as of 31 December 2022 relating to the company results for 2022. During the year ended December 31, 2022, Mr. Paolucci purchased 110,000 shares from the exercise of share options.

No stock options were awarded to him in 2022. As of December 31, 2022, Mr. Paolucci held a total of 275,000 stock options.

Summary Compensation Table

The following tables set forth all annual and long-term compensation for services in all capacities to the Company for the three most recently completed financial years of the Company in respect of each of the Company's NEOs. As of the date of this Information Circular, bonus payments have been awarded for the 2022 fiscal year.

The following table outlines the information for the financial years ended December 31, 2022, December 31, 2021 and December 31, 2020.

Notes:

- (1) Mr. Veloso also serves as a Director of the Company. No portion of the amounts paid to Mr. Veloso were paid in relation to his role as Director, a position he serves in without any additional compensation.

- (2) Mr. Veloso used all proceeds from his annual incentive plan payment to exercise his share options and his share warrants in the Company. This was the first time that Verde has paid a bonus to Mr. Veloso in six years, despite Mr. Veloso having repeatedly met and surpassed the performance targets outlined by the Board. This is tantamount to an annual bonus of \$84,628 over this six-year period if the Company had paid any bonuses to Mr Veloso. It was, however, at Mr Veloso's behest that the Board of Directors paid no bonuses until the Company became profitable.
- (3) The annual incentive plan payments to Mr. Veloso and Mr. Paolucci were partly used to exercise share options in the company.
- (4) Options granted in March 2021 vested in one tranche in July 2021.

The grant date fair value of options was estimated using a Black-Scholes model based on the following assumptions:

	2021
Expected life of options	5 year
Risk-free interest rate	0.94%
Expected stock price volatility	114.86%
Expected dividend yield	0%

- (5) Options granted in March 2019 vested in six tranches, 10% immediately and 10% on each of the first, second, third and fourth anniversaries of the date of grant, with the remaining 50% vesting on the fifth anniversary of the date of grant.

The grant date fair value of options was estimated using a Black-Scholes model based on the following assumptions:

	2019
Expected life of options	1 years
Risk-free interest rate	0.02%
Expected stock price volatility	137.5%
Expected dividend yield	0%

- (6) Converted from Brazilian Real to Canadian Dollars using the closing noon buying rate for R\$ reported by the Bank of Canada for the fiscal periods ended December 31, 2021, being R\$1.00 = \$0.260
- (7) Bonuses were paid by issue of shares which cannot be traded until the following conditions are met: (a) 50% of the total number of shares once the Company Share value achieves CAD6.45 per unit and (b) 50% of the total number of shares if the Company achieves a full year Audited EBITDA of BRL50,000,000.
- (8) Converted from Brazilian Real to Canadian Dollars using the closing noon buying rate for R\$ reported by the Bank of Canada for the fiscal periods ended December 31, 2022, being R\$1.00 = \$0.263.
- (9) Converted from Sterling to Canadian Dollars using the closing noon buying rate for C\$ reported by the Bank of England as of December 30, 2022, being £1.00 = C\$1.6283.

- (1) The value of options which vested during the year ended December 31, 2022 was calculated based on the difference between the closing price of the Ordinary Shares on the TSX on the vesting date and the exercise price of the options. The options may never be exercised and actual gain, if any, on exercise will depend on the value of the Ordinary Shares on the date of exercise.

Pension Plan Benefits

The Company does not currently provide pension plan benefits to its NEOs.

Termination and Change of Control Benefits

The Company has entered into executive employment agreements or arrangements involving each of its NEOs, as described below.

Cristiano Veloso

Pursuant to the terms of an executive service agreement (the “**Veloso Agreement**”) dated February 17, 2023 (effective from 1 July 2022), the Company retained Mr. Veloso to serve as the President and Chief Executive Officer of the Company. Mr. Veloso is also the Founder of the Company and shall continue unless or until terminated by either party giving the other not less than 12 months’ notice in writing, expiring on or after the expiry date.

If the Veloso Agreement is terminated at will by the Company or by Mr. Veloso giving either party not less than 12 months’ notice in writing, Mr. Veloso will be entitled to receive a payment in lieu of notice equal to the basic salary (as at the date of termination), bonus (calculated using an average figure received by you in the preceding two years) and any other remuneration or benefits which you would have been entitled to receive under the terms of this agreement during the notice period within 5 days.

In the event of a “Change of Control” (as defined in the Veloso Agreement), Mr. Veloso shall be entitled to terminate the Veloso Agreement by giving notice to the Company within 36 months of the date of the Change of Control and the Veloso Agreement will be deemed to terminate two weeks after the date of such notice. Change of control occurs if there is a change in the Company’s ownership or management that results in the decision-making capacity of the Company being exercised by a different group of shareholders and/or directors. Change of jurisdiction via a new company acquisition would not constitute a change of control. In this instance, or if Mr. Veloso is terminated for any reason within 12 months of a Change of Control, Mr. Veloso will be entitled to receive a Lump Sum equal to 3% of the total consideration (including but not limited to cash, shares, stock, warrants, debt etc).

Following termination of the Veloso Agreement, Mr. Veloso will be subject to certain specified non-solicitation and non-disclosure restrictions. Mr. Veloso shall not canvas, solicit or approach anyone who was negotiating with the Company 12 months prior to his termination and solicit or entice any senior employees or key personnel or an individual employed in a sales capacity or as a Director of the Company or its associated companies with whom he had contact or dealings 12 months prior to his termination.

Felipe Paolucci

Pursuant to the terms of an executive service agreement (the “**Paolucci Agreement**”) dated March 1, 2019, the Company retained Mr. Paolucci to serve as the Chief Finance Officer of the Company as well as its intervening parties Verde Fertilizantes Ltda and FVS Mineração Ltda.

If the Paolucci Agreement is terminated by the Company “Without Reason” (as that term is defined in the Paolucci Agreement), Mr. Paolucci will receive at least 30 days written notice, after which Mr. Paolucci will be entitled to receive six months’ remuneration from the closing date to be paid in cash or in shares converted on the closing date. If termination of the Paolucci Agreement at any time is at the request of Mr. Paolucci, only the notice period is required. In the event of a “Change of Control” (as that term is defined in the Paolucci Agreement), the Paolucci Agreement will be terminated and the Company will pay Mr. Paolucci twenty-four months of the fixed remuneration amount. Following termination of the Paolucci Agreement, Mr. Paolucci will be subject to certain specified non-solicitation and non-disclosure restrictions. Mr. Paolucci shall not canvas, solicit or approach anyone who was negotiating with the Company 12 months prior to his termination and solicit or entice any senior employees or key personnel or an individual employed in a sales capacity or as a Director of the Company or its associated companies with whom he had contact or dealings 12 months prior to his termination.

As of the date of this Circular, there were 51,240,694 Ordinary Shares outstanding and 3,032,760 Ordinary Shares reserved for issuance under the Plan at this time. Termination of Employment. Should an option holder cease to be an eligible person during the term of an option for any reason other than death, disability, or cause, the option will be exercisable for a maximum of 90 days thereafter, or until option expiry, whichever comes first. If an option holder dies during the term of an option while in employment, engagement, or while a director of the Company or its related entity, such option will be exercisable by the optionee's estate for a maximum of 365 days from the date of the optionee's death, or until option expiry, whichever comes first. If an option holder's employment, engagement or directorship is terminated due to an optionee's disability, such option will be exercisable by the optionee for a maximum of 365 days from the date of termination, or until option expiry, whichever comes first. If an option holder ceases to be an eligible person under the Plan as a result of being terminated for cause, the term of any options held will be deemed to expire immediately upon termination.

Non-Transferable. An option issued under the Plan is non-assignable and non-transferrable, except on death of an optionee or, with the board of director's approval, to a person that is an employee, executive officer, director or consultant of that Company or related entity, a holding entity, RRSP or RRIF. If the option is assigned or transferred with the Board's approval, the option expires immediately upon termination of the director, executive officer, employee or consultant that was originally granted the option.

Amendments Not Requiring Shareholder Approval. The Board may, in its discretion and without shareholder approval; (i) suspend or terminate the Plan (without affecting outstanding options); (ii) amend, modify or terminate any outstanding options (where it would not adversely affect the optionee) except for a reduction in the option price or extension of the option period benefitting an insider; (iii) make any amendment, modification or termination to the Plan that is required by any securities regulators or stock exchange as a

condition of approval to a distribution to the public of any Ordinary Shares or to obtain or maintain a listing of Ordinary Shares; (iv) change the vesting provisions; (v) add any form of financial assistance; (vi) change the termination provisions; (vii) add a cashless exercise feature that is payable in cash; and (viii) make amendments of a housekeeping nature to the Plan (such as the rectification of ambiguities, defective or inconsistent provisions, errors, and updating provisions to comply with governing laws).

Cashless Exercise. In lieu of exercising an Option, the Board may permit an optionee to elect to receive, without payment by the optionee of any additional consideration, Ordinary Shares equal to the value of the Option (or the portion thereof being exercised) by surrender of the Option at the principal office of the Company, together with written notice reflecting such "cashless" exercise, in which event the Company shall issue to the optionee a number of Shares computed using the following formula:

$$X = \frac{Y (A - B)}{A}$$

Where: X = The number of Ordinary Shares to be issued to the optionee pursuant to the cashless exercise;
Y = The number of Ordinary Shares in respect of which the cashless exercise election is made;
A = The Market Value of one Ordinary Share on the date of exercise of the Option; and
B = The exercise price of the Option.

As at the date of this Circular, the Company has granted options to acquire up to a total of 1,597,398 Ordinary Shares (representing approximately 3.04% of the Ordinary Shares currently outstanding).

Since incorporation in 2006, the Company has issued 6,073,602 shares from the exercise of options, representing an average of 357,271 shares per year.

SCHEDULE “A”
VERDE AGRITECH LTD.
(the “Company”)
FORM 58-101F1
CORPORATE GOVERNANCE DISCLOSURE

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Company is required and hereby discloses its corporate governance practices as of the date of this Circular:

1. Board of Directors

The Board of Directors is composed of 6 Directors: Cristiano Veloso; Renato Gomes; Alysson Paolinelli; Fernando Joao Prezzotto; Luciana Oliveira Cezar Coelho and Madeleine Lee Suh Shin. All the directors are independent Directors within the meaning of NI 58-101 except for Cristiano Veloso who is not an independent Director by virtue of his management position with the Company.

It is the Board's policy to maintain independence by having at least half of the Board comprising non-executive Directors. The majority of the Directors are independent. The structure of the Board ensures that no one individual or group dominates the decision-making process.

The independent Directors do not hold regularly scheduled meetings at which non-independent Directors are not in attendance. The Board encourages informal discussion amongst the independent Directors, via telephone calls and email, in order to facilitate open and candid discussion among its independent Directors.

Cristiano Veloso acts as the Chairman of the Board. The principal role of the Chairman is to manage and to provide leadership to the Board of Directors of the Company. More specifically, the duties and responsibilities of the Chairman include: to act as liaison between management and the Board; to keep abreast generally of the activities of the Company and its management; to ensure that the Directors are properly informed and that sufficient information is provided to enable the Directors to form appropriate judgments; to act as Chair at meetings of the Board and to review and sign minutes of Board meetings; to sit on other Committees of the Board where appropriate as determined by the Board; to call special meetings of the Board where appropriate; to act as Chair at meetings of shareholders; to recommend to the Board, after consultation with the Directors, management and the Governance and Nominating Committee, the appointment of members of the Committees of the Board; to assess and make recommendations to the Board annually regarding the effectiveness of the Board as a whole, the Committees of the Board and individual Directors; and to ensure that regularly, upon completion of the ordinary business of a meeting of the Board, the Directors hold discussions without management present.

The Board currently does not have a Lead Independent Director. Notwithstanding, a Lead Independent Director shall be appointed at the next Board meeting, by August 09, 2023.. The duties and responsibilities of the Lead Independent Director include: to appraise the performance of the Board Chair; to serve as an intermediary between the Chair, the Board and Verde's stakeholders; and to oversee the best practices of corporate governance at the corporate and Board level.

The following table presents a detailed record of attendance at Board and Committee meetings held during the year ended December 31, 2022, together with a list of directorships held by directors with other reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction as at December 31, 2022.

(1) Information as to directorships with other reporting issuers is provided by the directors.

2. Board Mandate

While the Board has no written mandate as such, its duties and activities are performed in a manner that is considered responsive to statutory and other legal requirements and in accordance with best corporate governance practices.

The Board establishes overall policies and standards for the Company. The Board expects management to conduct the business of the Company in accordance with the Company's ongoing strategic plan as adopted by the Board. The Board regularly reviews management's progress in meeting these expectations. The Directors are kept informed of the Company's operations at meetings of the Board and its committees and through reports and analyses and discussions with management. The Board normally meets at least four times a year in person as well as by telephone conference, with additional meetings being held as needed.

3. Position Descriptions

While the Board has not developed a written position description for the CEO, the general terms of the CEO's responsibilities are set out in his employment agreement with the Company.

The Board has not developed written position descriptions for the chair of the committees of the Board. The chair of each committee is expected to be responsible for ensuring that the mandate of the committee for which he or she serves as chair is adhered to and that the objectives of each committee are accomplished.

4. Orientation and Continuing Education

To date, the Board has not required a formal orientation or education program for new recruits to the Board of Directors. The Board may consider more formal procedures if warranted in the future.

5. Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual Director's participation in decisions of the Board in which the Director has an interest have been sufficient to ensure that the Board operates in the best interests of the Company.

Under the Companies Act 1967 of Singapore, directors owe a number of duties to the Company. Though not exhaustive, these duties include: the duty to act in accordance with the Company's constitution and only to exercise powers for the purposes for which they are conferred; the duty to act in good faith to promote the success of the company for the benefit of its members as a whole ; the duty to exercise independent judgement; the duty to exercise reasonable care, skill and diligence; the duty to avoid conflicts of interest; the duty not to accept benefits from third parties; and the duty to declare an interest in proposed and existing transactions or arrangements.

For these reasons, the Board has not adopted a formal written code of conduct to date but the Board is considering adopting policies and procedures in this respect.

6. Board Committees

Audit Committee

As of the date of this report, the Audit Committee is composed of Renato Gomes (Chair), Luciana De Oliveira Cezar Coelho and Madeleine Lee Suh Shin, all of whom are independent Directors. The Audit Committee reviews the annual and interim financial statements of the Company and makes recommendations to the Board of Directors with respect to such statements and documents. The Audit Committee also reviews the nature and scope of the annual audit as proposed by the auditors and management, and the adequacy of the internal accounting control procedures and systems within the Company. The Company has in place a series of procedures and controls designed to identify and prevent the risk of loss. The Audit Committee has reviewed the systems in place and considers these to be appropriate.

Corporate Governance and Nominating Committee

As of the date of the report, the Corporate Governance and Nominating Committee was composed of Fernando Joao Prezzotto (Chair), Renato Gomes and Madeleine Lee Suh Shin, all of whom are independent Directors.

The Corporate Governance and Nominating Committee's mandate regarding corporate governance includes: (1) monitoring the appropriateness of the Company's governance systems with regard to internal and external governance standards, "best practices" guidelines and with an emphasis on ongoing improvements. (2) ensuring compliance with all regulatory authorities including Canadian Securities regulations, the rules of the Toronto Stock Exchange, and all money-laundering legislation.

The Corporate Governance and Nominating Committee assists the Board in fulfilling its obligations by assessing the skill sets required by the Board, assessing if any are lacking and identifying individuals qualified to become new Directors and recommending to the Board new Director nominees for the next annual meeting of shareholders. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation Committee

The Compensation Committee assists the Board in fulfilling its obligations relating to compensation matters of the Company. See *“Executive Compensation – Compensation Discussion and Analysis”* for disclosure regarding the compensation practices of the Board.

7. Other Board Committees

The Board has established an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. Other than these three, the Board does not have any other standing committees.

8. Assessments

Other than the regular Board meetings and its Corporate Governance and Nominating Committee, the Board does not have a separate committee charged with responsibility for assessing the effectiveness of the Board, its committees or individual directors. The Board monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the Board and Committees.

9. Director Term Limits and Other Mechanisms of Board Renewal

The Company does not have term limits for its directors. While there is benefit to adding new perspectives to the Board from time to time, there are also benefits to be achieved through continuity and Directors having in depth knowledge of each facet of the Company’s business and strategy, insights which necessarily take time to develop. Also, setting Director term limits forces valuable, experienced and knowledgeable directors to leave. Board renewal is one of many factors taken into consideration as part of the Board’s quarterly meetings. Pursuant to requirements for issuers listed on the TSX, Directors of the Company are to be elected (including the re-election of incumbent directors) at each annual meeting of the Company, and in all cases, the term of any Director will expire at the close of the next annual meeting of shareholders following such Director’s appointment.

10. Policies Regarding the Representation of Women on the Board

Verde's Board consists of 33% female Directors.

The Company has a formal Board Diversity Policy, because it believes in diversity and values the benefits that it can bring to its board of directors.

Diversity is an issue of importance across all levels of the Company, from its mine pits to its executives. The Board believes that the key to effective leadership is to choose Directors that, having regard to a wide array of factors, possess the range of necessary independence, skills, experience, commitment and qualifications that are best suited to fostering effective leadership and decision making at the Company. The Board reviews its size and composition from time to time to determine the impact the Directors have on its effectiveness, and the Board and the Company's management. The Corporate Governance and Nominating Committee adopts a rigorous identification and selection process for new Directors, having regard to a variety of factors, and through these processes the Board believes that it is well-positioned to address any problems or deficiencies that may arise.

The Company seeks to maintain a Board comprised of talented and dedicated directors with a diverse mix of expertise, experience, skills and backgrounds. The skills and backgrounds collectively represented on the Board should reflect the diverse nature of the business environment in which the Company operates. For purposes of Board composition, diversity includes, but is not limited to, business experience, geography, age, gender, and ethnicity and aboriginal status. In particular, the Board should include an appropriate number of women directors. The Company is committed to a merit-based system for Board composition within a diverse and inclusive culture which solicits multiple perspectives and views and is free of conscious or unconscious bias and discrimination. When assessing Board composition or identifying suitable candidates for appointment or re-election to the Board, the Company will consider candidates on merit against objective criteria having due regard to the benefits of diversity and the needs of the Board.

The Company will periodically assess the expertise, experience, skills and backgrounds of its directors in light of the needs of the Board, including the extent to which the current composition of the Board reflects a diverse mix of knowledge, experience, skills and backgrounds, including an appropriate number of women directors. Any search firm engaged to assist the Board or a committee of the Board in identifying candidates for appointment to the Board will be specifically directed to include diverse candidates generally, and multiple women candidates in particular.

11. Consideration of the Representation of Women in the Director Identification and Selection Process

According to the Charter of the Corporate Governance and Nominating Committee, when identifying new candidates, the Committee takes into consideration the criteria approved by the Board and such other factors, as it deems appropriate. These factors include judgement, skill, integrity, independence, diversity, experience with business and organizations of comparable size, the interplay of a candidate's experience with the experience of other Board members, willingness to commit the necessary time and energy to serve as a director, and a genuine interest in the Company's business. The Company believes the aforementioned factors are all encompassing and although gender is not specifically listed as one of the factors, gender is taken into account when considering diversity in director nominations.

12. Consideration Given to the Representation of Women in Executive Officer Appointments

The Company takes into consideration an array of factors when identifying new candidates to the executive management team. These include skill, diversity, integrity, experience with business and organizations of comparable size, and a genuine interest in the Company's businesses. Although gender is not specifically listed as one of the factors, gender is taken into account when considering diversity in executive officer appointments.

13. Issuer's Targets Regarding the Representation of Women on the Board and in Executive Officer Positions

The Company has not adopted targets for the representation of women on the Board and in Executive Officer positions. Although the Company and the Board do not believe that quotas or strict policies necessarily result in the identification or selection of the best candidates, the Board is mindful of the benefits of gender diversity on the Board and in executive positions and the need to maximize effectiveness of the Board and management teams decision-making abilities. Accordingly, although the Board believes that the current Directors comprise an appropriate mix of individuals with accounting, financial, legal, specific industry and general business experience that is appropriate for the Company's current size, as the Company's business grows, it plans to expand the size of its Board and in conducting searches for new Directors. The Board intends to focus on increasing the level of female representation. The Board has two female members currently. Similarly, although there is no current intention to make changes or additions to the Company's executive team, the Board will be mindful of the benefit of gender diversity in any appointment of new executive officers. The Board believes that the current executive management team comprises an appropriate number and mix of individuals with considerable experience in the agriculture resource industry that is appropriate for the Company's current size.

14. Number of Women on the Board and in Executive Officer Positions

The Board is currently comprised of four men and two women, which represent 33% of the Board composition.

The Company's executive team is currently comprised of two men and no women, such that 0% of the Company's executive officers are women. However, the Company's overall percentage of women in leadership positions, such as managers and coordinators, is 43%. The percentage of women in administrative departments including Corporate, Marketing and Sales, Finance and Human Resources Departments is 56%. Women comprise 34% of all Verde's employees, including workers at the Mine and Plant, and 58% of the staff within administrative departments.

PROHIBITION OF SALES TO MUNICIPALITIES PREDOMINANTLY COMPOSED OF AMAZON RAINFOREST

The Amazon rainforest is a crucial ecosystem that provides numerous benefits to the world, including carbon sequestration, biodiversity, and climate regulation.
